* A pot plan provides for a sum (as specified above) to be distributed pro rata, in amounts determined after allowed administrative, secured and priority unsecured claims are paid. The plan payments will continue at the highest monthly payment provided in the confirmed plan, as it may have been modified, as necessary to pay all allowed administrative, secured and priority unsecured claims within sixty (60) months of the original date of confirmation.

5. Debtor(s') reason(s) for requesting the above modification are:
Debtor failed to make the increased plan payment last May. Her income has not increased as anticipated. Debtor wishes to cure the delinquency through the remaining term of her plan.
